

CONVERGING CULTURES

ONLINE MASTERCLASS SERIES

29 & 30 May 2021

Naseer Shamma - Oud
Richard Durrant - Guitar

Are you a guitar or oud student, amateur, teacher or simply a music lover? If so join us for this unique weekend of masterclasses, discussions, presentations and concerts.

Extend and refine your musicianship, understand the nature of evolving identities, explore converging and diverging cultures and their respective instruments and discover how musical influences intertwine to create the music we hear.

Open to all music lovers, whether masterclass participants or auditors! Auditors will be able to listen to all the classes and debates and field questions.

Organised by PalMusic UK in conjunction with Edward Said National Conservatory of Music in Palestine (ESNCM) and Trinity Laban (London), the weekend will end with an online concert featuring **Richard Durrant and Naseer Shamma** in a fundraising drive to support the ESNCM in Palestine,
